"Hit & Run is an Israeli-American thriller television series created and written by Avi Issacharoff and Lior Raz"

Segev Azulai, a tour guide and former Israeli hitman, is devastated when his wife, **Danielle**, an American dancer, is **killed** in a hit-and-run accident in Tel Aviv.

As Segev mourns her loss, he notices inconsistencies and peculiarities surrounding her death. Fueled by grief and suspicion, he embarks on a quest to uncover the truth.

Segev travels to New York, where he visits Danielle's house. While searching for clues, Segev discovers something crucial on her laptop. **He finds that minutes before she died, she had mailed herself her diary, in some weird form of a digital certificate.**

This revelation adds a new layer of complexity to Segev's quest for justice, intertwining personal stakes with the pursuit of hidden truths.

<u>Segev knows how to fight people, but he never fought digital certificates.</u>

Your mission is to lead Segev in his quest. Each step will bring you closer to the truth about Danielle's death and the **dark forces** behind it. Are you ready to embark on this journey and help Segev uncover the mystery?

"And ye shall know the truth and the truth shall make you free."

Good luck and stay vigilant. The truth is out there, waiting to be discovered.
